Hi guys -

Since it sounds like roll-out of the first data sets will be starting next week, I wanted to check on your availability for later next week for this briefing (and perhaps a separate one for committee staff).

The later-in-the-week times we have to work with for Congressman Marino's staff are: Thurs, 3/15 (10-1130 or 130-3) or Fri, 3/16 (9-12). From my glance at your schedules, it looks like **Thurs, 3/15 between 10 and 11:30 looks the best**. (1:30-2:00 pm could work if Ron or Kathy want to participate.) I think Thursday will work with the proposed roll-out schedule, but please let me know if it doesn't.

I heard that Shawn is not planning to participate and

Ex. 5 - Deliberative

Ex. 5 - Deliberative mention Kathy and Ron's schedules just in case, since Scott Perry and perhaps Secretary Krancer will be off.

OCIR will work on OECA and OSWER participation.

Dennis/Cecil - please let me know about Thursday, 3/15, 10-11:30.

Ron/Kathy - please let me know your feelings on participating in this briefing. (I would not anticipate asking you to participate in future EPA-only committee staff briefings.)

Thanks!
Jennie
